BARTENDERS:

All bar staff are hired and trained by One World Catering. Bartenders are billed at \$30.00/hr and are needed at all events with alcohol present or served. HOSTED FULL BAR FAQs:

IS THIS THE BAR PACKAGE FOR ME?

Hosted full bar service is a generous way to treat your guests to an elevated experience. This is a good option for any event that is celebratory. If you have a smaller guest count (> 75 guests) a consumption bar might be a better option. If you want to allocate more of your catering budget toward food, cash bar options are available.

DO GUESTS UNDER 21 COUNT?

Only guests who are 21+ are counted toward your bar guest count.

WHAT IS INCLUDED?

All full open bars include beer, wine, bubbles and the selection of spirits within the package tier - house, specialty or premium. Signature or batched drinks can also be included. Bar set up and bartenders are billed in addition to the pricing below. Table wine and formal toasts are able to be added a la carte.

HOSTED BAR

consumption based | faq + pricing overview

HOSTED CONSUMPTION BASED BAR FAQs:

IS THIS THE BAR PACKAGE FOR ME?

A consumption bar is the best way to pay for exactly what is consumed at your event. Beer can be purchased by the keg or case, wine by the bottle and cocktails by the drink. Batched cocktails can also be purchased by the gallon. The alcohol is purchased prior to the event and then reconciled after the event. A final invoice will be issued the week following your event with any additions or subtractions. A \$500.00 minimum alcohol sale must be met.

WHAT IS INCLUDED?

One of the perks of a consumption based bar is that you still get to choose the inclusions. Consumption based bars can include beer, wine and spirits or just beer and wine.

GENERAL FAQs

frequently asked questions

FREQUENTLY ASKED QUESTIONS

DO I NEED TO GET ADDITIONAL ALCOHOL INSURANCE?

We have this covered. One World Catering holds a 3 way alcohol permit that allows us to serve beer, wine and spirits both at Woolery Mill and offsite. Additional coverage is not required and all bartenders have a valid Indiana serving permit.

IF I BUY THE ALCOHOL, WILL OWC SERVE IT?

No. All alcohol must be sourced and served via One World Catering. Serving outside alcohol is not legally permitted with our alcohol permit. Non-profit clients, please ask your Sales Coordinator for further information.

CAN I BRING IN MY OWN ALCOHOL AT WOOLERY MILL?

Again, all alcohol must be sourced and purchased through One World Catering. Any outside alcohol found at Woolery Mill will be confiscated and additional fees may apply. An initial breach of contract fee of \$250.00 will apply, plus an additional \$10.00 per drink. If any large bottles or wine or spirits are found, a fee of \$175.00 per bottle will be charged.

CAN I HAVE BOTTLES OF WINE ON THE GUEST TABLES?

Yes! Table wine can be added a la carte to any meal service at your preferred tier - house specialty or premium. We recommend closing the bar during this time or hiring an additional bartender to help with this service.

CAN I DO A FORMAL CHAMPAGNE TOAST ONLY?

Formal champagne toasts begin at \$3.00 per person. A formal champagne toast includes pre-poured champagne or bar staff will go around at a designated time during the meal to pour champagne into preset flutes.

ARE THERE MINIMUMS?

All bar packages must meet a minimum alcohol sales of \$500.00. If you have a catering order in addition to your bar package, the bar minimum is reduced to \$200.00.

IS GRATUITY INCLUDED?

Gratuity is automatically included for hosted bars, but is not included for cash bars. Please inquire with your Sales Coordinator to confirm the number of bar staff at your event.
